

ICRC Team Scoring Concept:

- There are 2 major races each year - 1 each at Blackbeard SC and Oriental Dinghy Club.
- A team consists of a minimum of five boats.
- The team that scores the lowest total of 2 combined team events, wins the trophy for the year.
- The score consists of counting the 5 lowest scoring boats of the team. Eg: 3 firsts, 2 seconds = 7 pts total.
- In scores shown below, you may see more than 5 boats scored. The total will reflect only 5 but if more than 5 are shown, there would be a tie amongst team members so that more than 5 names will appear on the trophy.
- ICRC stands for "Inter-Club Race Committee" which was formed in Jan, 2002 by 7 Neuse and Pamlico River clubs. Those organizing clubs were: Oriental Dinghy Club, Blackbeard Sailing Club, Hancock Yacht Club, Pamlico Sailing Club, Fairfield Harbour Sailing Club, Neuse Sailing Assn & Neuse Yacht Racing Assn. (ODC, BSC, HYC, PSC, FHYC, NSA & NYRA)
- ICRC's original founding fathers from ODC include: Gary Johnston, Bill Croughwell & Bill Kirsch
