

ICRC Team Scoring Concept:

- There are 3 major races each year - 1 each at Blackbeard SC, Hancock YC and Oriental Dinghy Club.
- A team consists of a minimum of five boats.
- The team that scores the lowest total of 2 combined team events, wins the trophy for the year.
- The score consists of counting the 5 lowest scoring boats of the team. Eg: 3 firsts, 2 seconds = 7 pts total.
- In scores shown below, you may see more than 5 boats scored. The total will reflect only 5 but if more than 5 are shown, there would be a tie amongst team members so that more than 5 names will appear on the trophy.
- ICRC stands for "Inter-Club Race Committee" which was formed on Nov 7, 2001 by 7 Neuse and Pamlico River clubs. Those organizing clubs were: Oriental Dinghy Club, Blackbeard Sailing Club, Hancock Yacht Club, Pamlico Sailing Club, Fairfield Harbour Sailing Club, Neuse Sailing Assn & Neuse Yacht Racing Assn. (ODC, BSC, HYC, PSC, FHYC, NSA & NYRA)
- ICRC's original founding fathers include:
Mark Brennesholtz(BSC), Gary Johnston(ODC), Bill Croughwell(ODC), Bill Kirsch(ODC), Bill Jarvis(FHYC)
Ken Gurganus(BSC), Charlie Nelson(PSC), Mike Foster(BSC/NYRA), Jeff Thomas(BSC),
Bob Moore(NSA), Mike Harrison(BSC), Susan Collyar(HYC)

Hancock Regatta July 9 & 10				
Note: There were two boats in the spin fleet, race #1, that either did not sail the full course (windward leeward 3 laps) or had their times grossly misrecorded. In addition, because of a man overboard from Tom Tom Taxi, Silent Pursuit was awarded three minutes redress for attending the rescue. So out of the seven boats in the race, four had times that were either flat wrong or had other issues. To adjust for this the results for ICRC team scoring deleted Spinnaker race #1 from the results.
